### **ORGANISATIONAL BACKGROUND**

Maryvale Private Hospital ("Maryvale") is an acute medical/surgical private hospital in Gippsland, Victoria. Centrally located in the township of Morwell, in the Latrobe Valley, the hospital is situated on 17 picturesque acres.

At Maryvale we provide the highest standard of health care to our regional community in a caring and friendly environment.

Founded in 1991 our 46 bed, acute care hospital has a wide range of inpatient medical and surgical services

Our hospital is 100% locally owned and supported by Latrobe Health Services.

### **OUR PURPOSE**

Provision of consistent quality health care to achieve optimum patient outcomes.

### **OUR VISION**

To be the first choice for patients and providers in private healthcare.

### **OUR CORE VALUES**

- Respect – We treat others as we expect to be treated.
- Integrity – We do the right thing.
- Accountability – We take responsibility for our decisions and actions.
- Teamwork – We value the contributions and collaboration of individual staff members and their skills they bring which are of benefit to the organization.
- Innovation – We look to the future, create effective solutions and put them into action.
- Enjoyment and Fun – We strive to maintain an environment in which staff can enjoy working in.

### **ROLE STATEMENT**

A member of the nursing team delivers direct patient nursing care in any practice service within the scope of education and skill preparation.
