

# **CLARENCE VALLEY COUNCIL**

### **Position Description**

**Internal Audit Officer** 

| Directorate                        | Corporate & Governance |
|------------------------------------|------------------------|
| Location                           | Grafton                |
| Classification/Grade/Band          | Grade 14               |
| Position Code                      |                        |
| Date position description approved | 19 July2021            |

### **Overview**

With a large geographical area of 10,441 square kilometres and a population of almost 52,000 the Clarence Valley local government area is the gateway to the north coast of NSW and within easy driving distance of the south east Queensland. Encompassing beautiful beaches, stunning hinterland and the mighty Clarence River, the Clarence Valley is the ideal place for balancing work, life and relaxation. Clarence Valley Council is on an important journey in becoming a customer focused organisation that provides quality services in an efficient way.

### **Primary purpose of the position**

The Internal Audit Officer is responsible for the Internal Audit function, which provides risk based and objective quality assurance assessment of operational systems and procedures to ensure they contribute to the achievement organisational value that is efficient, compliant, consistent and effective.

#### **Key accountabilities**

Within the area of responsibility, this role is required to:

- Develop, maintain and review the risk based internal audit program and complete audit responses and obtain updates on audit recommendations and Audit & Risk Improvement Committee (ARIC) decisions.
- Undertake assessments to ensure accuracy and correct use of systems and procedures and recommend changes in systems and controls of Council business units.
- Prepare and implement policies and procedures relating to Internal Audit.
- Identify and recommend opportunities for improvement of the Enterprise Risk Management Framework based on findings of internal audit activities.
- Conduct post implementation reviews of internal audit recommendations to determine adequacy and effectiveness of actions aimed at improving operations and performance.
- Provide administrative support to, and ensure effective operation of the Audit and Risk Improvement Committee.
- Identify training needs and inform development programs to enhance staff knowledge of and compliance with internal controls.
- Collate and maintain statistical information and prepare analysis trends reporting relating to findings of the Internal Audit function.

### **Key challenges**

- Providing accurate and effective quality assurance over the various functions of the organisation will
  require an officer who exercises sound judgement and is able to work autonomously.
- Maintaining an objective view while engaging staff in the internal audit function requires an officer who demonstrates consistency and an uncompromising adherence to professional ethics.
- Becoming familiar with the impact of regulatory compliance on local government requires an officer with capacity to review and comprehend legislation.
