PART A: ABOUT WYDAC

1. BACKGROUND

Warlpiri Youth Development Aboriginal Corporation (WYDAC), formerly Mt Theo Program, was started by Yuendumu Community in 1993 to address chronic petrol sniffing in Yuendumu. WYDAC achieved unprecedented community success in this initial struggle, which led to considerable growth in the scope of the services provided. WYDAC now provides a comprehensive range of programs that deliver diversion, development, treatment, and leadership services throughout the Warlpiri region.

WYDAC was created by, and for, Warlpiri people, and is governed by a Warlpiri Committee. WYDAC head office is located in Yuendumu Community, and WYDAC has permanent staffing and operations at five different Warlpiri sites – Yuendumu, Willowra, Nyirrpi, Lajamanu remote communities and Mt Theo Outstation. The notable, and sustainable, success of the program has been firmly based on the support and strength of local Warlpiri youth and their communities, as well as the ongoing commitment of staff.

PART B: PROGRAM LOGIC

WYDAC runs youth development and leadership programs in the communities of Yuendumu, Lajamanu, Nyirrpi and Willowra. These programs are clearly designed to improve the safety and wellbeing of Warlpiri youth, their families and community, as well education, training and employment outcomes. WYDAC has been a pioneer within the context of remote Indigenous youth services, leading the transition from basic youth diversion services to a more comprehensive youth development service since 2002.

This has now evolved into a settled and successful model in all four Warlpiri communities. The Jaru Pirrjirdi process can be divided into three levels. It is a progressive model that young Warlpiri people can slowly move through, engaging in positive, healthy and challenging activities before culminating in their ‘graduation’ as strong, empowered young leaders within their family and community.

Level 1 Youth Diversion ‘Manyu Wana Ngurrju’	<ul style="list-style-type: none"> • Youth Diversion Program
Level 2 Youth Development ‘Pinarri Jarrinjaku’	<ul style="list-style-type: none"> • Jaru Youth Trainees • Education & Training
Level 3 Youth Leadership ‘Jaru Pirrjirdi’	<ul style="list-style-type: none"> • Future Pathways & Leadership

Level 1 - Youth Diversion - Manyu Wana Ngurrju

The youth diversion program provides the bedrock for positive youth and community engagement in WYDAC youth development and leadership programs. Manyu wana ngurrju is translated here as young people ‘having good and healthy fun’. The value of Youth diversion programs in regards to safety and wellbeing in remote Indigenous communities has been well-established by numerous independent reports as well as being profoundly valued by the communities, and by young people themselves as evidenced by high participation rates.

The youth diversion program seeks to engage young people in a range of positive, healthy, safe and interesting activities after school hours, during evenings, weekends and school holidays. Within WYDAC programs this may variously involve a wide variety of sports, art, culture, education or project activities. It is important to note that this is not merely a matter of basic sport and recreation activities but rather a dynamic, skillful and challenging program targeting improved physical, mental and social health for Warlpiri youth.

Level 2 - Youth Development – Pinarri Jarrinjaku

The second aspect of youth development activity is focused on growing the strength of young Warlpiri people. The Warlpiri translation for pinarri jarrinjaku is young people ‘learning to be strong’. It does this through a wide range of education, empowerment and training opportunities for young people and ongoing support for school attendance.

Level 3 - Future Pathways & Leadership - Jaru Pirrjirdi

The third element of the WYDAC youth leadership and development program model is called 'future pathways' and represents the culmination of the Jaru Pirrjirdi (Strong Voices) process. Future pathways refers to the creation of positive and meaningful futures for Warlpiri youth, to the development of their leadership.
