

Greenkeeper Apprenticeship

About the opportunity

This 4-year apprenticeship is a fantastic opportunity to be a professional in your preferred trade. Throughout the first three years of your apprenticeship, you will receive on the job training and be completing a Certificate III in Sports Turf Management at TAFE. Your fourth year will be purely practical experience. Throughout your apprenticeship you will be working with, and supported by qualified trades people.

The Greenkeeper apprenticeship enables you to develop sound knowledge of the practical skills required to establish and maintain greens, sporting surfaces and turf production. You will learn to; establish and construct turf playing surfaces, prepare turf surfaces for sports, renovate sports turf, control weeds, prepare and apply pesticides, install irrigation and drainage systems and operate and maintain machinery. You will learn about soils and plants as well as observe environmental work practices. Any work experience or interest in gardening is highly regarded.
