

Duty Statement: National Development Head Coach and Coordinator of Middle School Swimming

Reports to: Swimming Club Director and Head Coach

The key responsibilities within this role will pivot between being the Coordinator of Middle School Swimming and the National Development Head Coach. Within this, the incumbent will:

- Lead the facilitation and operation of the BGS Middle School GPS Swimming Program.
- Assist in providing leadership and mentoring to all BGS Swimming Program squad coaches.
- Provide high-quality coaching whilst delivering a planned and graduated training program and assisting the BGS Swimming Program as directed by the Swimming Club Director & Head Coach.
- Liaise with GPS Program Leader and Swimming Club Director & Head Coach on needs of individual students, ensuring a holistic approach to student well-being.
- Assist the Swimming Club Director & Head Coach with all operational & administrative requirements of the BGS Swimming Club.
- Any other duty as assigned by the Swimming Club Director and Head Coach.

Desirable prerequisites for the role:

- Successful campaign delivery at a State & National Level
- Demonstrated management skills, including the ability to plan strategically, to monitor and evaluate squad swimming programs
- Up to date with current trends and practices in elite sports coaching
- Experience in staff management, including leadership, staff training and rostering

Essential prerequisites for the role:

- Silver/Advanced License accredited swim coach with a minimum of five years' experience in a State/National Age training/competition environment.
- Proven experience in coaching swimmers aged ten years and over.
- Current Senior First Aid Certificate and CPR/Resuscitation Certificate,
