Organisational Relationships

Within Division:	Director Civil Services Team Leader Ganger	Manager Engineering Works Supervisor Engineering Works staff
Within Council:	General Manager	All Council employees
External to Council:	Members of the public Contractors	Local businesses

Key Duties and Responsibilities

Key duties of the position include, but are not limited to, the following:

Customer Service

- Provide a high level of customer service when dealing with general enquires and complaints from both internal and external customers.
- Present a positive image of Council to the public.

Road Maintenance

- Assist in the maintenance of roads, roadsides, footpaths, cycleways, kerb and guttering, drainage, bridge structures and all other assets for the Engineering Works section.
- Perform a range of labouring tasks for all Engineering Works section functions (e.g. repairing potholes, road edges, shoulders, installation and maintenance of pipes, culverts, drains, signs, guide posts, traffic control, etc.), as well as other areas of Council.
- Perform pipe laying, spray truck, concreting and sign installation duties.
- Ensure all repairs and scheduled maintenance is undertaken to specification and in accordance with Council policies and procedures.
- Carry out other duties as directed.

Plant and Machinery Operation

- Operate and maintain a variety of plant and machinery items as directed to complete road maintenance and construction projects.
- Operate items of plant and equipment in a safe manner.
- Actively participate in the plant and equipment competency assessment process.
- Hold appropriate licences and tickets prior to operation.

Written Communication

- Accurately complete standard forms and paper work, such as timesheets, work orders, TfNSW records and WHS related documents.
- Conduct electronic communication and recording of work related information.
- Assist in the creation and review of working procedures.

Work Health and Safety

- Ensure that all work is carried out in accordance with Council's safe work procedures and work health and safety policies. This would include conducting the following at all worksites:
 - Ensuring hazard identification, risk assessments and safe work method statements are or have been conducted for all tasks.
 - Ensuring that all appropriate personal protective equipment is used at all times.
 - Ensuring that incident reports are completed for any incident/accident involving personnel or plant.
 - Ensuring that site-specific inductions are conducted including Council employees, contractors and visitors.
 - Complete pre-start safety checks on plant items and ensure safe operation of plant in accordance with Council policies and procedures.
 - Abide by Council policy to maintain a smoke free workplace by not smoking in Council offices, plant and on worksites.
 - Ensure all work is carried out in accordance with Council's Environmental Management Plan, Quality Plans and safety management documents.

Teamwork

- Participate as a positive team member and contribute to the achievement of team goals and objectives.

Continual Improvement

- Contribute to process, systems and procedures improvements that deliver quality services and projects.

Key Outcomes and Performance Standards

The below key outcomes and performance standards are required by all staff. They are to be demonstrated each and every year to enable eligibility for assessment of pay progression.

The performance standards must occur within the context of Council's community and work environment, including day to day operations, policies and procedures.

- Traffic Controller ticket.
- Implement Traffic Control Plans ticket.
- Working Near Overhead Power Lines ticket.
- Confined Spaces ticket and ability and willingness to work in confined spaces.

APPLICATIONS CLOSE: Monday 18 October 2021

Position Overview

Reporting to the Supervisor Road Maintenance, this position is responsible for operating a truck and a range of other plant and machinery items to assist in the completion of section projects. Council's plant items include, but are not limited to, trucks, slashers, front end loaders, backhoes and rollers. The role requires the ability to operate plant items in a range of work locations within the Shire.

Although the position of Plant Operator will be required to rotate between work crews, this position will predominantly be placed within Council's patching truck crew. A key responsibility of the position will therefore be to conduct a variety of associated labouring duties, including pothole repairs, concreting, signage maintenance, roadside spraying and general maintenance of roads, roadsides, footpaths, cycleways, kerb and guttering, drainage, bridge structures and all other assets for the Engineering Works section.

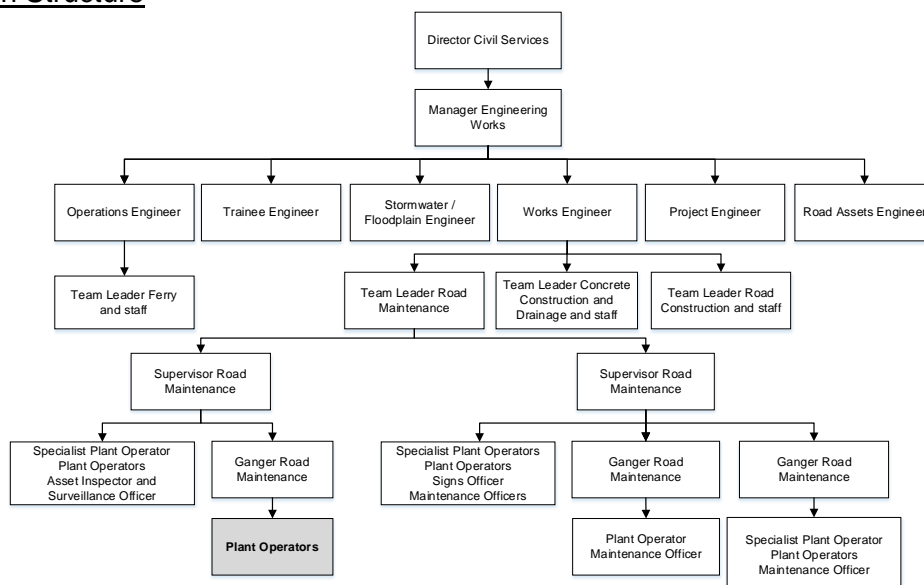

You will be a member of a team comprising team leaders, supervisors, gangers, other plant operators, construction officers, maintenance officers and labourers and work constructively with the team to ensure the teams goals and objectives are achieved.

Structure

Corporate Structure

Section Structure

Corporate Vision and Values

It is considered highly important that the vision and values of Council's employees align with that of Council. It is therefore paramount that the successful candidate for this position demonstrates qualities that will assist Council in achieving the following:

Vision: The Ballina Shire is safe, with a connected community, a healthy environment and a thriving economy.

Community Values: Creative | Accessible | Respect | Energetic | Safe

Pre-employment Assessments

Prior to being appointed to the position of Plant Operator, short-listed candidates will need to successfully complete the following pre-employment assessments:

- Competency assessment – undertaken with Council's assessor to assess competence in the operation of plant items associated with the position.
- Pre-employment functional and medical – undertaken with Council's exercise physiologist to assess strength, fitness and physical capabilities to determine suitability to the duties of the position.
- Pre-employment audio examination – undertaken with Council's hearing specialist to test for pre-existing conditions and to ascertain whether hearing levels are sufficient to safely perform the duties of the position.
- Blood and Urine Test – to determine immunity to Hepatitis A and Hepatitis B, and to test for the presence of drugs and/or alcohol.

Remuneration Package

Conditions of employment will be in accordance with the terms and conditions pursuant to the Local Government (State) Award. The position of Plant Operator is assessed at Grade 5 under Council's salary structure, providing an annual salary range of \$52,200 to \$59,900, dependent upon experience and skills (plus superannuation and relevant allowances).

In addition, employees are provided with a Council uniform and equipment to enable them to fulfil their position requirements, currently enjoy a nine day fortnight working arrangement and have access to a range of other benefits including educational assistance initiatives, a very attractive training support program.

Application Requirements

Applicants must submit documentation addressing the selection criteria for the position. The essential and desirable criteria for the position of Plant Operator are listed in the Position Description. Applications that do not address these criteria will not be considered. In addition, a resume and cover letter with the following details needs to be provided:

- Relevant education and qualifications (interviewed candidates will need to produce original qualifications at time of interview)
- Relevant work experience
- Contact details of at least two professional referees, including your current employer.

Submission of Application

Applications can be submitted on-line via the following link:

http://www.ballina.nsw.gov.au/cp_themes/default/jobs.asp

Recruitment Process

Council's recruitment process is conducted according to strict confidentiality and equal employment opportunity standards. It is Council's aim to complete the recruitment process and notify candidates of an outcome within four weeks of the closing date, however this timeframe can be extended due to unforeseen circumstances. As a guide, the expected timeframe for the recruitment process for Plant Operator is as follows:

Closing date:	Monday 18 October 2021
Interview date:	Week commencing 1 November 2021
Pre-employment process:	Week commencing 8 November 2021
Candidates notified of outcome:	Week commencing 8 November 2021

For further information on this recruitment process, please contact Council's People and Culture section on 02 6686 1443.
