

## **APPLICATION QUESTIONS**

### **Senior Project Officer/ Senior Trainer**

*Please answer the questions below to outline your experience and suitability for the position you are applying for, and attach this with your application along with your Resume and Cover Letter.*

- 1. Based on your experience, what strategies must an external consultant employ within a school to support whole-school shifts in pedagogical practice and student management?**
- 2. Consider one of your past students who struggled in school (perhaps from a trauma-affected home environment, disrupted education history, or other complex life circumstance). Describe the intervention approach you designed, directed and/or implemented.**
