ORGANISATIONAL INFORMATION

OUR VISION AND FOCUS	ROLE CONTENT
<p>We believe children, young people and families should be safe, thriving and hopeful.</p> <p>Our Vision for 2022: Together we will courageously change lives and reimagine service systems.</p> <p>For over 140 years, Berry street has adapted to a changing world, and we will continue to adapt to achieve our purpose.</p> <p>Berry Street will continue to be a strong and independent voice for the children, young people and families with whom we work. In collaboration with others, we will advocate for investment in early intervention and prevention services that enable families to be safe and stay together. We will use approaches that are culturally safe and informed by the best evidence available. We will measure and learn from the impact of our work, and we will continually contemporise our models of practice.</p> <p>We look forward to working with children, young people, families, carers, staff and partners to achieve this vision. Together.</p>	<p>Take Two is an intensive therapeutic service for infants, children and young people who have suffered trauma, neglect and disrupted attachment. It provides high quality therapeutic services for families, as well as contributing to the service system that provides care, support and protection for these children. Take Two is a Victoria-wide service funded by the Department of Health and Human Services, auspiced by Berry Street, and is also involved in partnership with other community service agencies to provide services to therapeutic foster care, Aboriginal therapeutic home-based care, therapeutic residential care and the Stronger Families service.</p> <p>Take Two is a flagship site of the Child Trauma Academy implementing the Model of Neurosequential Therapeutics to guide intervention planning.</p> <p>This role will cover different programs within Take Two including Therapeutic Residential Care, co-ordinating the Wellbeing Program and the Intensive Therapeutic Services.</p>
OUR VALUES	PRIMARY OBJECTIVES OF THE ROLE
<p>Berry Street expects all staff to apply these Values in all aspects of their work.</p> <p>Courage: to never give up, maintain hope and advocate for a 'fair go'</p> <p>Integrity: to be true to our word</p> <p>Respect: to acknowledge each person's culture, traditions, identity, rights, needs and aspirations</p> <p>Accountability: to constantly look at how we can improve, using knowledge and experience of what works, and ensure that all our resources and assets are used in the best possible way</p>	<p>The primary objectives of the role are to:</p> <ul style="list-style-type: none"> • Have a leadership role in the team and support the clinical team leader, including building and maintaining important partnership relationships and supporting the team to meet key performance indicators • Provide clinical supervision to clinicians and students as required. • Carry a case load; the numbers of cases are dependent on the number of staff the senior clinician supervises. Given the seniority of the role the cases are more complex, with clients who are at various stages of an episode of care, such as assessment, treatment and closure and may reside in a range of settings such as home, foster care or residential care. Therapeutic work can range from short to long term. • Contribute to the development and implementation of training requests from external agencies.

<p>Working Together: to work with our clients, each other and our colleagues to share knowledge, ideas, resources and skills</p>	<ul style="list-style-type: none"> • Conduct assessments, develop therapeutic treatment plans with clear goals that are reviewed regularly and intervene at the level of the system, family and child. • Work closely and collaboratively with the client, their family and the care team to achieve the goals within the specified time frame.
	<p>REPORTING RELATIONSHIPS</p>
	<p>This role is based at our Morwell office and is part of the broader Take Two team.</p> <p>This role reports to the Clinical Team Leader who will provide supervision and review. This role could have up to 2 direct reports and works in conjunction with other team members.</p>

KEY ACCOUNTABILITIES AND RESPONSIBILITIES

ACCOUNTABILITY	SPECIFIC RESPONSIBILITIES
Assessments	<ul style="list-style-type: none"> • Conduct assessments to understand the impact of trauma, neglect, and abuse experiences on the child's development and functioning and develop a treatment plan. • A non standardised assessment approach is used and generally involves assessing the individual child, collecting a brief history and context such as care arrangements, living arrangements, school arrangements, resources. • Administer and interpret standardised outcome measures such as HoNOSCA, SDQ, Trauma Symptom Check List, Ages and Stages, NMT • At times specialised assessments are required and the clinician will consult with their team leader for discussion and approval in supervision to ensure clinical governance. • Where a child is known to be or is possibly Aboriginal, consultation with the Aboriginal team needs to occur as part of the assessment process to ensure this process is being culturally informed. • Write a cohesive, succinct, timely report for multiple audiences –including the child, parents, carers, and Child Protection. • Develop a formulation which forms the basis for a therapeutic treatment plan that includes goals and time frames
Intervention	<ul style="list-style-type: none"> • Provide the therapeutic treatment as specified in the treatment plan. This may be directly with the child &/or via others such as parents or carers/family members, utilising psychoeducation, coaching and/or reflective practice. • The inclusion of a Cultural Connection Tool is essential for Aboriginal children • Treatment can be at the levels of the individual child, the family system, and the care team system • Key interventions provided are family or child psychotherapy (which is informed by principles of relational therapies), dyadic therapy between child and adult (to build and repair relationship) and psycho education for parents/carers, school etc • Develop and sustain therapeutic relationships with and between child and adults

	<ul style="list-style-type: none"> • Identify and respond to clinical risk • Conduct regular reviews of the therapeutic progress to recognise when the treatment goals have been met and the episode of care is completed and initiate case closure procedures. • Provision of secondary consultation and advice to non-clinical staff, carer and family members working in Care Teams and the broader service system • Attend court and give evidence that may include their professional opinion based upon assessment reports and professional observations on the child/young person's development and relationships with significant others
Team Work	<ul style="list-style-type: none"> • Work cooperatively with the system that sits around the child – child protection practitioners, education providers, health providers, care givers and family • Clinicians work in a team to ensure the work-place is a learning environment and are required to share and listen to others. • Participate in case presentations and other clinical development opportunities as these are learning opportunities to assist self and colleagues.
Administration	<ul style="list-style-type: none"> • Complete assessment, review and closure reports in agreed time frames • Maintain up to date files • Update data bases as required and expected • Keep timely and succinct case notes and file accordingly
Supervision	<ul style="list-style-type: none"> • Provide supervision to clinicians in accordance with Berry Street's supervision policy. • Coach and mentor clinicians • Conduct annual reviews of clinicians in accordance with Berry Street policy • Review and sign off on reports completed by supervisees • Attend potentially difficult and/or complex meetings with clinicians as required, this may be due to complexities within partnerships or if a more complex clinical situation has evolved. • Supervise students as required
