What's it like working in Waste Services?

The Waste Services Service Unit is committed to providing waste minimisation and recycling solutions and ensuring the long-term sustainability of our waste management operations. The unit manages a variety of key service elements including kerbside collection, public place waste collection, landfill operations, education and engagement, administration and accounts, environmental management and business development. Customer service and responsiveness as well as a team culture that is performance based and promotes continuous improvement are fundamental in delivering on these elements and servicing our community.

What's the focus of this position?

The Sideloader operator is a member of the Waste and Commercial Collections section with a focus on safety, high-quality customer service outcomes and operational efficiency, including an emphasis on continuous improvement. The Sideloader operator is a key a front-line collections position and critical to the effective provision of the collections service to the community. Working as part of a team within the larger Waste and Commercial Collections section, the Sideloader operator utilises dual control side loading waste collection vehicles, including (but not necessarily limited to) bin manoeuvring, bin retrieval and bin replacement (e.g. to facilitate safe access and / or customer service requirements, etc), cleaning up of spilt waste, etc.

What you'll be doing:

- Perform collection duties utilising dual control side loading waste collection vehicles, including (but not necessarily limited to) bin manoeuvring, bin retrieval and bin replacement (e.g. to facilitate safe access and / or customer service requirements, etc), cleaning up of spilt waste, etc.
- Provide supervision, guidance and support to any other team members (e.g. Offsider/s, General Hand/s, etc) working on / with the collection vehicle.
- To provide relief / coverage within the Waste Services team, commensurate with the employee's skill, competence and training.
- Ensure the completion of any required waste collection activities in a safe, efficient and courteous manner throughout the City of Newcastle area.
- Maintain any allocated plant and equipment as per City of Newcastle's (CN) and manufacturer's specifications and requirements, including (but not necessarily limited to) maintaining correct levels of fuels, oil/s and coolants.
- Ensure compliance with all RMS, statutory and CN standard operating procedures, policies and regulations.
- Provide a high-quality customer-focussed service to all customers, both internal and external.
- Complete all required tasks whilst adhering to CN's safety guidelines, WHS responsibilities and relevant Road Transport and Motor Vehicle legislation and acts.
- Use the mechanical resources provided in such a manner to ensure longevity of the machinery through utilisation of proper operating and maintenance techniques.
- Complete all tasks as assigned by the Waste Collections & Systems Coordinator to ensure maximum efficiency and productivity within the waste collection team.
- Adhere to all requirements as per the relevant CN Agreement.
- You will be required to carry out other duties that are within the limits of your skills, competence, training and/or experience as directed by your Manager.

The essentials you'll need:

- Class HR driver's licence.
- Moderate experience in utilising dual control side loading waste collection vehicles, including (but not necessarily limited to) the safe, competent and efficient operation of a side loading waste collection vehicle, bin manoeuvring, bin retrieval and bin replacement (e.g. to facilitate safe access and / or customer service requirements, etc), cleaning up of spilt waste, etc.
- Flexibility to work public holidays (as required) as well as undertake reasonable overtime (when available).
- Working knowledge of relevant WHS requirements.
- Ability to work with minimal supervision.
- Solid literacy and numeracy skills, including moderate computer skills.
- A solid level of written and oral communication skills.
- High customer service focus and commitment to continuous improvement, with a demonstrated ability to communicate effectively with customers and residents.
- Demonstrated ability to work in a team within a multi-disciplined environment.

- Ability to follow collection route maps and work sheets, both written and electronic.
- Ability to organise and prioritise workload to ensure maximum efficiency and productivity.

Other valuable skills you may have:

- Familiarity with the City of Newcastle local government area.
- Previous experience with the operation and use of GPS in-vehicle routing / scheduling / reporting software systems.
- Experience with the operation of rear loading waste collection vehicles, including (but not necessarily limited to) the safe, competent and efficient operation of a rearloading waste collection heavy vehicle, bin manoeuvring, bin emptying (two and four wheeled), loading / collection of bulky goods and operation of mechanical waste bin collection aids (e.g. bin lifters, lifting frames, etc) and mobile waste compaction equipment.

We'll encourage you along the way

We will partner with you to support your performance and ongoing development to ensure you are fully prepared for future challenges as this position and our organisation adapts and evolves.

I acknowledge that I have read and understood the requirements and responsibilities of this position as detailed in the Position Description (PD) and have discussed the PD with my Manager.
