| Salary / Classification Level: | Helping Hand Health Professional Collective Workplace Agreement 2016 |
| Reporting to this Position: | Therapy Assistants |

Purpose of the Position

To deliver a range of occupational therapy services that will support clients to improve their ability to perform tasks in their daily living and working environments. This position provides services to Helping Hand services within the Adelaide Home Care Service.

Your Team

The Occupational Therapist role is a member of the Allied Health Home Care Services Team and works closely with other allied health professionals, clinical staff and other staff across Home Care Services.

Other Key Relationships

This role works closely with clients, their families, groups and communities as well as other service providers and professionals. The position forms professional networks with other occupational therapists internally and externally, particularly to support their professional practice and development. They will collaborate and work with other occupational therapists and staff on activities and projects supporting the broader business outcomes.

Key Outcomes and Responsibilities

Customer service

- / Adopt, apply and promote a wellness and reablement approach, with client-directed outcome measures, to engage and motivate clients in their goal development and service planning.
- / Provide comprehensive and contemporary, evidence-based occupational therapy services to clients in accordance with each client's needs.
- / Provide occupational therapy in accordance with agreed care and support plans, relevant legislation, contemporary care standards and Helping Hand philosophy, policy and procedures.
- / Regularly monitor, review and assess client progress against the care and support plan.
- / Apply a risk management approach to the assessment of client needs, as well as to the prioritisation and delivery of services to clients, in accordance with Helping Hand procedures.
- / Provide competency-based training to support the appropriate sub-delegation of clinical tasks to other staff as required.
- / Ensure client documentation is legible, and that information is accurate and up to date, meeting both legal and organisational requirements.
- / Engage with clients in a professional and approachable manner, demonstrating empathy, consideration and respect.
- / Respond to customer feedback promptly, verify or check information when in doubt, and keep customers informed of progress of any action that is being undertaken.
- / Monitor and evaluate customer satisfaction via the Helping Hand customer feedback and engagement processes.

Leadership and teamwork

- / Work collaboratively with all teams to ensure that the client service needs are met. This includes communicating regularly and effectively within the team and with other teams involved in providing services to the client.
- / Contribute as a leader and team member in creating a positive workplace culture by demonstrating Helping Hand values and code of conduct.
- / Resolve any workplace conflict in a professional manner and through the correct organisational processes.
- / Provide information, coaching and mentoring for care and other staff to support high quality and effective service delivery.

Professional development

- / Comply with relevant Professional Code of Ethics and take prompt action to correct any unsafe or inappropriate practices.
- / Actively participate in both informal and formal performance management processes, including annual and ad hoc performance review, improvement and development.
- / Participate in Helping Hand's Continuing Professional Development (CPD) Program to maintain contemporary professional knowledge and skills through participation in professional development activities.
- / Attend all compulsory training sessions identified by the organisation and undertake other training and development as required.

Carry out other duties consistent with the purpose of the position and as directed by the Manager.
