Work Health and Safety (WHS)

The employee who occupies this position must abide by Council's WHS policies and procedures as described in Council's WHS Manual. The employee must participate in the completion of relevant WHS/Risk documentation and take all reasonable and practicable steps for their own health and safety and of others affected by their actions at work.

Position Summary

The Building and Development Officer will be responsible for undertaking building control work including pre-lodgement advice and building certification works to ensure that construction activities are undertaken according to statutory requirements and sound environmental practice. The position processes all applications and certificates allocated to the position and completes specialist building and development tasks.

The Building and Development Officer is one of four professional specialist positions operating within an approvals team reporting to the Team Leader Building under the direction of the Development Manager.

The Building and Development Officer is directly involved in the assessment and determination of building and development matters handled by the Development team, liaising with colleagues, developers, Government Authorities and the public generally.

The Building and Development Officer is responsible for determining priorities on building and development matters assigned to, and instigated by the position. The officer will make an independent assessment of such issues, subject to direction issued by the Team Leader Building and the Development Manager and within the limitations of any delegated authority and/or accreditation level.

Specific Duties and Responsibilities

- Ensure that development applications, combined development applications, construction certificates and other applications for approval for the designated area, or as allocated by the Team Leader Building, are assessed expeditiously in accordance with statutory requirements, Council's Local Environmental Plan, the Environmental Planning and Assessment Act, Local Government Act, any other relevant Acts and Legislation, Building Code of Australia, Council Codes and Policies and Development Control Plans.
- Participate in the functions of the Building and Development Planning Team under the Supervision of the Team Leader Building.
- Ensure that prompt and courteous attention is given to internal and external clients with respect to Building and Development issues.
- Negotiate and liaise with Developers and staff as required by the position.
- Provide accurate, timely and professional advice to internal and external customers, including detailed investigations, reports, briefings and other correspondence relating to development proposals, building certification, fire safety and compliance activities.
- Carry out all duties associated with appointment as a Principal Certifier.
- Maintain documentation in accordance with record keeping policies and legislation.

Performance Standards

- Ensure that all applications are assessed in accordance with statutory requirements, Council's Local Environmental Plan, any relevant development Control Plan or Council Policy.
- Ensure that the processing and turnaround times for Development Applications and Combined Development Applications, Construction certificates, Complying Development Applications and Section 149 Building Certificates, are in accordance with the targets as outlined in Council's relevant building and development applications Management Plan.
- Ensure all inspections required by legislation are carried out within statutory timeframes and certification issued upon satisfactory completion.

- Ensure that pre-application meetings with customers are arranged as needed to provide advice ensuring that applications can be approved without request for further information.
- Undertake duties directed to the position by the Team Leader or Manager promptly and to an agreed timeframe.

Core Duties and Responsibilities

Following is a list of specific duties and responsibilities that are required in this position, as well as other positions within the organisation;

Operational

- Ensure compliance with Council processes and procedures.
- Provide clear, concise and appropriate advice and recommendations in a timely manner.
- Conduct adequate and timely research in order to provide quality and accurate advice and responses.
- Overseeing works, proactive engagement with the community and liaising with a range of internal and external stakeholders.
- Efficiently deal with customer requests while providing a high level of service

Workplace health and Safety

- Follow Council's WHS policies and procedures as instructed.
- Ensure their actions do not adversely affect the health and safety of themselves or any other person.
- Report all WHS hazards and incidents to their supervisor as soon as possible.
- Participate in all required WHS training.
- Follow all reasonable directions from supervisors, managers, and others in regard to safety.

People Leadership

- Role model the Lithgow City Council's values and behaviours
- Be aware of the well-being of the team.

Business Performance

- Set priorities, prepare timetables, work schedules and maximise output whilst ensuring high quality outcomes.
- Contribute to the integration of core services across Council.
- Maintain a current working knowledge of relevant industry developments, legislation and practice.
- Identify appropriate training needs and participate in training and other professional development.
- undertake responsible and accountable practices for keeping full and accurate records and information for all corporate activities and decisions.

Whilst this position description covers the key areas of responsibilities, this list is not exhaustive. Day to day tasks and responsibilities may vary and be in addition to those listed above (reasonably and within the limits of individual skills, competence and training).

Supervisory Responsibilities

Will be required to assist the Team Leader Building in the supervision and training of Council's Trainee Building and Development Officer
