

Position	Clinical Nurse
Date effective	March 2018
Conditions	Lutheran Services (Qld) Aged Care Enterprise Agreement 2017 Registered Nurse Level 2.

Who we are:

Lutheran Services is a respected not-for-profit organisation providing services in the fields of aged care, disability, family support, youth support and chaplaincy in Queensland. Lutheran Services provides quality and contemporary support and accommodation for older people, youth and their families, people living with disability or mental illness, and families experiencing domestic violence and hardship.

Our philosophy and vision

Lutheran Services exists to serve. Delivering the best in service, care and accommodation while making a meaningful contribution to communities is at the core of what we do.

Our values

- Offering grace and hope
- Delivering faithful service
- Respecting the dignity of the people we serve
- Fostering a committed and innovative culture
- Securing a sustainable future

Purpose of the role

This role is responsible for assisting in the provision of resident care as well as administering medications to residents.

Reporting relationships

The Clinical Nurse reports to the General Manager and provides leadership to Registered Nurses, Enrolled Nurses and Assistants in Nursing / Personal Carers

Qualifications/Experience
Essential

- Maintain AHPRA Registration (Division 1, Nursing)
- Significant Aged Care Experience
- Previous experience leading a clinical team
- Excellent Verbal and written communication skills
- High-level understanding of ACFI Funding and Aged Care Accreditation Standards

Legislative/policy requirements

All employees must have a current National Police check and will be required to provide proof of working rights. The incumbent will be required to provide medical information relevant to this position by submitting to a pre-employment medical and be deemed fit by Lutheran Services Chief Medical Officer.

Roles and responsibilities

Within the policies established by Lutheran Services and working in collaboration with relevant managers and employees, the occupant of this position will:

- Maintain and promote the delivery of quality care of aged care residents according to the Aged Care Standards and Best Practice;
- Collect information and complete assessments for the formation and review of nursing care plans;
- Provide leadership to clinical staff;
- Provide education to staff on ACFI assessments;
- Oversee and assist in the clinical care of residents;
- Assist with the development and implementation of quality control procedures.

NOTE: This position statement is not intended to be all-inclusive. Employees may perform other related duties as negotiated to meet the ongoing needs of the organisation.
