OBLIGATIONS TO THE ORGANISATION

Moree Plains Shire is a strong, robust community that provides a relaxed, healthy, and harmonious lifestyle with an economy that supports the local region and preserves the important environmental qualities of our area. Moree Plains Shire Council are committed to playing our role to help build the community we want for our future and leading the way in fostering a healthy, positive, and well-resourced community.

POSITION OBJECTIVE

- The operation of a truck and trailer combination for the carting of gravel, for the construction and maintenance of roads within the Shire.
- To provide safe, reliable access to all areas of the region to satisfy the economic and social needs of the community.
- To promote a neat and tidy image that encourages people to be proud to live and invest in the region.

ABOUT YOU

You are a team player willing to contribute to a cohesive team environment and maintain positive internal and external relationships. You have strong organisation and time management skills to effectively manage multiple demands at once with the ability to also work unsupervised when necessary. A commitment to Work, Health and Safety principles is also an essential requirement of the position.

KEY DUTIES AND RESPONSIBILITIES

- Operation of the truck and trailer to construct and maintain gravel roads and construction and maintenance operations.
- To operate the plant in a manner that ensures compliance with Council's Safe Operations Procedures, the provisions of the Work Health and Safety Act, the Environmental Protection Act and the Transport NSW standards.
- To provide routine maintenance to the plant to ensure the maximum life of the plant and its accessories.
- To cease operating the plant if the failure of a component occurs and to report all defects to the Workshop maintenance for repair.
- To meet productivity targets and production deadlines.
- To liaise with and provide accurate and timely information to the Superintendent regarding progress with the work and other day to day issues of importance.
- To provide assistance to the Worksite Co-coordinator or Ganger in the monitoring of work site activities to ensure compliance with the WHS Act and also the provisions of the Environmental Protection Act and its regulations.
- Ensure that all environmental and safety measures are in place and operational.

- Undertake ongoing training to enhance and expand technical and personal skills.
- Ability to monitor materials quality and quantity delivered to worksite and advise supervisor of any discrepancies in materials.
- Ensure that work tasks are conducted with minimal disruption to the community.
- Ensure that all environmental and safety measures are in place and operational.
- Cooperate with Council to assist the organisation comply with the obligations under the Workplace Health & Safety Act and the Workplace Injury Management and Workers Compensation Act 1998.
- Comply with Council's Code of Conduct, WHS and EEO policies and procedures.
- Other duties as requested by the Works Superintendent, Ganger or Operations Manager.

Plant operations:

Operation and maintenance of various plant including:

- Prime Mover/Heavy Combination
- Road Maintenance Trucks

Physical ability to operate the truck for long periods over the course of the working day is the inherent requirement of this position. MPSC uses job-matched pre-employment screenings to ensure that applicants can undertake the inherent physical requirements of this position without placing them at risk of injury. Therefore, the most meritorious applicant identified at interview will be required to undertake a pre-employment health screening and a three (3) month probationary period.

ESSENTIAL CRITERIA

- Certificate III in Civil Construction and/or relevant industry experience.
- Relevant experience in operating a truck and trailer competently and safely under all conditions, with the ability to carry out general maintenance.
- Ability to meet deadlines and work under conflicting time pressures
- Ability to work as part of a team and without supervision.
- Demonstrated effective communication skills.

Literacy, Numeracy, and Record Keeping:

- Sound literacy and numeracy skills with the ability to keep accurate records including daily running sheets, fuel usage, timesheets, logbooks and any other applicable paperwork.

Tickets and Licences:

- General Construction and Induction card
- Current NSW Class HC (Heavy Combination) Driver Licence

Immunisations required:

- Ability to provide evidence of vaccination/immunisation for Tetanus and Hepatitis A and maintain currency of this throughout your period of employment.

COMMON CRITERIA

- Demonstrated commitment to reconciliation, and to working constructively and respectfully with Aboriginal and Torres Strait Islander individuals and communities.
- Demonstrated commitment to inclusive work practices and respect for all people.
- Must be willing to commit to further training and development as required.
- Have a Unique Student Identifier code prior to commencement.
- Ability to complete Moree Plains Shire Council's Workplace Health and Safety and COVID-19 Induction modules online prior to commencement.
- Complete pre-employment health screening and provide evidence of relevant immunisation including COVID-19 vaccination.
- Ability to provide evidence of working rights in Australia.
- Successful completion of all induction and probationary reviews within 3 months of commencement.
- Employees may be required to participate in the on-call roster, weekend work, reasonable overtime, and disaster and emergency situations when required.

- All staff must comply with NSW Office of Children's Guardian child safe standards.

DESIRABLE CRITERIA

- The ability to monitor traffic movement and materials quality delivered on construction/maintenance sites and advise Worksite Co-ordinator of problems and potential improvements.
- First Aid Certificate.
- Traffic Controller Certificate – Traffic Controller & Apply Traffic Control Plans.

ACCEPTANCE

I, _____ confirm I have read and understood the Position Description. As the incumbent of this position, I agree to work in accordance with the requirements of the position and will abide by Moree Plains Shire Council's policies and procedures. I understand this Position Description is designed to guide the responsibilities and activities to be undertaken in this position and is not intended to be an exhaustive list. I acknowledge that the organisation, in response to changing priorities, may vary tasks and responsibilities from time to time.
