

Position Title:	NPS Worker, Intensive	Reports To:	NSW NPS Lead
Program:	NPS	Location:	South East NSW
Award Level:	SHCADS Level 3		
Special Conditions	This role may require transport of consumers in personal vehicle. Appropriate Award reimbursement will be applicable.		

One Door Mental Health (ODMH) is a leading for-purpose service provider for people living with mental illness, their families and carers.

About the Position

This role uses a recovery-oriented approach to support existing NPS-T (Transition) consumers in South East NSW to:

- test eligibility for access to the National Disability Insurance Scheme (NDIS)
- receive CoS services through 1:1, group-based or centre-based delivery.

ODMH operates locally as self-organised teams – called Recovery 2gether teams. Team members are collectively responsible and accountable for:

- supporting consumers, and
- team tasks.

As a team member, you will work collaboratively with other team members to facilitate the effective operation of the team.

What we ask of you

1. Actively support consumers to:
 - a. Apply for the National Disability Insurance Scheme (NDIS)
 - b. Engage with the NDIS, if found eligible.
2. Deliver the CoS program through 1:1 support, group-based and centre-based supports
3. Provide support for consumers with complex and high intensity needs.
4. Ability to support people with a psychosocial disability to apply for the NDIS.
5. Exercise initiative and independence, as required
6. Maintain consumer and other service delivery records
7. Actively contribute as a member of the self-organising team
8. Seek guidance from Coach regarding higher-order or persistent complex support issues.
9. Be safe at work. Help others to be safe at work and follow the WHS legislation
10. Ensure the safety of self and others in work environment
11. Actively promote and demonstrate One Door's values.

Your skills and experience

1. Holds a Certificate III or IV in mental health, disability or related field.
2. Previous experience in applying a recovery-based approach to support individuals recovering from severe and persistent mental illness
3. Ability to work independently, within clear timeframes
4. Ability to communicate collaboratively with team members and all stakeholders specific to this position
5. Ability to exercise personal responsibility and work as part of team, with the support and
