

Quality Assurance Specialist

Team:	Clinical Practice Team
Location:	Footscray
Date:	September 2021
Status:	Full Time
Reports to:	Clinical Practice Manager

Our Organisation

On the Line is a professional social health organisation that delivers outsourced digital counselling solutions on behalf of our funders. Our 24/7 telephone, online chat and video counselling services, are staffed by professional counsellors, psychologists or social workers who have experience working with a range of social and mental health issues.

Our Mission

On the Line is a professional social health organisation providing counselling support, anywhere and anytime. We listen and encourage people to feel better: building resilience, fostering healthy relationships, and connecting people with community support.

Our Vision

Encouraging people to feel better and create a life worth living.

Our Values

Courage

- Brave and inspired leadership
- Owning our story
- Kindness and compassion for ourselves and others
- Generosity in spirit

Curiosity

- Explore possibility
- Listen, seek to understand
- Be interested in others, what they are passionate about and what drives and inspires them
- Open to new and different ways of working and seeing the world

Connection

- Creating a welcoming and meaningful work environment for ourselves and our clients
- Value and engage with others through the stories people tell
- Highly developed self-awareness. Understand how our actions affect others
- Creating harmonious connections with ourselves, others and our environment

Position Purpose

The Quality Assurance Specialist will have a solid understanding of all services at On the Line. Build and maintain strong working relationships with Service Centre Team to ensure high-quality counselling is delivered.

Key activities include:

- Maintaining cross-functional relationships across On the Line to have a strong understanding of the organisation
- A coaching based mindset in working counsellors in performance improvement
- Be a proactive team player to be focused on continued support and improvement
- Champion practice excellence through quality monitoring
- Have continued awareness of the interaction between client and counsellor
- Build and maintain practice knowledge in a library
- Support counsellors

Key Activities

Practice and Quality Monitoring

- Undertake Call Quality Reviews (CQR) (and chat transcripts) to explore knowledge and skill capabilities, understanding and opportunities for improvement
- Provide feedback and outcomes of CQRs to Counsellors and the Service Centre Manager
- Track and report all CQRs that are completed monthly and yearly

Practice and Quality Improvement

- Works closely with Clinical Practice Manager to coordinate, develop and enhance process improvement
- Facilitate feedback and service improvements into the Service Centre
- Technology lens from a practice perspective
- Continuous improvement mindset by evaluating service delivery through quality reviews and auditing
- Understand best practice through research and identification of trends in the sector and community
- Develop suitable programs for quality and practice including broader based professional subjects
- Keeps up with current sector best practice and all models are evidence-informed
- Support the capability framework for a counsellor to be able to deliver on practice models
- Support the evaluation strategies for continuous improvement both formal and informal education programs
- Support and maintain the knowledge base/library

Services

- Work closely with the Service Centre and HR Team to understand impacts of CQR preparation and feedback on counsellor availability
- Understand how we deliver our services against our contracts
- Develop case studies to inform service enhancements
- Ability to conduct literature reviews and desktop research to understand industry best practice

Clinical Expertise

- Support and contribute the wider Learning and Development function
- Maintain contemporaneous clinical knowledge and skills
- Participation in reviews of learning modules
- Develop and facilitate modules for induction and other opportunities as required
- Assists Counsellors with the completion of Performance Plans and other performance management processes against feedback received from CQRs
- Provide 1:1 education/ training as required

Key Deliverables

Activity	KPI's
Practice and Quality Monitoring	<ul style="list-style-type: none"> • Complete regular CQR (and chats) of all Counsellors, as frequently as agreed • Provide timely advice to Counsellors and relevant stakeholders • Provide reports and insights as frequently as agreed • Maintain appropriate documentation
