Key	Internal: Coordinator, TRACC staff, Anglicare SQ staff.
Relationships/Interactions:	External: Foster and Kinship Carers, Department of Communities – Child Safety Services and other Community Organisations.

Position Statement / Overall Purpose:

This role's overall purpose within Anglicare Southern Queensland (ASQ) is to identify, build and maintain a supported network for Foster and Kinship Carers. The Foster and Kinship Care Case Worker will ensure that a targeted level of support is provided to general and high plus Foster and Kinship care placements, based on identified needs (for example, improving placement stability, supporting transition, supporting positive connection with family, improving well being outcomes for children).

The Foster and Kinship Care Case Worker is also responsible for ensuring Foster and Kinship Carers develop and sustain the resilience and necessary skills to provide safe and supportive care to children and young people placed with them.

The Case Worker will ensure service delivery is congruent with CARE principles of:

- Developmentally focused
- Family involved
- Relationship based
- Competence Centred
- Trauma informed
- Ecologically orientated

The Foster and Kinship Care Case Worker will work in accordance with the values of ASQ and support core business by providing service, guidance and advice within this position's specialty area.

Position Specific Requirements & Qualifications:

- 1. Possession of a Degree in Social Work, Psychology, Human Services or Behavioural or Social Sciences or relevant experience (essential).
- 2. Current QLD Drivers' Licence (essential).
- 3. Eligibility to gain a successful Licensed Care Services suitability check (LCS-2) through the Department of Communities, Child Safety and Disability Services (essential).
- 4. Ability and willingness to hold a Working with Children Check Paid Employee Positive Notice (Blue Card) issued by the Public Safety Business Agency (at the worker's own expense)(essential).

- 5. Certificate IV in Workplace Training and Assessment (desired).
- 6. May be required to undergo evaluation and be assessed as able to meet the physical and functional requirements of the role.

Key Selection Criteria:

- 1. A practice framework that is culturally sensitive and consistent with the six CARE Principles:
- 2. Applied knowledge and understanding of child protection and out-of-home care frameworks, including knowledge of or ability to acquire knowledge of the Child Protection Act (1999) and relevant legislation.
- 3. Ability to implement child centred family focused work. Family may include Foster and Kinship Carers, and in some cases natural parents and families.
- 4. Experience in delivering effective in-home support, training and group support to adults that are congruent with contemporary understandings of the impact of trauma on child development.
- 5. Demonstrated experience in completing complex documentation, including foster and kinship carer assessments and care plans for children and young people.
- 6. Highly developed problem-solving, coping and decision-making skills and the ability to apply these skills in crisis situations.
- 7. Excellent interpersonal and communication skills, including the ability to consult, negotiate and liaise effectively with a diverse range of people.
- 8. Proven ability to work cooperatively in a team environment.
- Strong computer skills, including excellent word processing capabilities, proficiency with e-mail and internet applications and experience using programs such as MS Word, Powerpoint and Excel.
