OUR ORGANISATION

Townsville Catholic Education (TCE) supports 29 schools within the Diocese, located throughout a diverse region including urban and rural environments extending to Mount Isa to the west, Proserpine to the south and north to Ingham. TCE provides a diverse range of education choices including primary, secondary and Prep-to-Year 12. Each setting provides a high educational standard in a caring and a stimulating environment. The Diocese has a growing Indigenous education program and some of our schools offering both boarding and day-student facilities.

TCE employs in excess of 2,500 teaching, professional and ancillary/support employees to fulfil our mission of providing quality educational services through our Catholic school communities. A Catholic education involves much more than simply teaching the educational basics. It encourages students to embrace Catholic values and faith while providing them with an excellent education and diverse life experiences that will prepare them to be a contributing member of the community in their adult lives.

The proud reputation Catholic schools enjoy within the Diocese today is based on the strong tradition built by religious orders who found Catholic Education in the Townsville Diocese in 1872.
