

Position Description

Position title	Plant Operator (Construction & Contracts)
Reports to	Ganger
Department	Infrastructure Services – Roads and Projects
Classification	Level 5 - Local Government Industry Award (Stream B)
Last Review Date	July 2020

Position Summary

The position is responsible for the operation and maintenance of Council's truck and plant for road construction and maintenance projects and for providing a high standard of operational and maintenance labouring skills throughout the Tablelands Region.

Position Specific Accountabilities

- Comply with instructions given by supervisors
- Carry out duties in a competent, capable, safe and efficient manner
- Operate and maintain assigned truck and or plant, in a responsible, safe, efficient and cost-effective manner
- Actively prevent breakdowns by reporting defects, submitting maintenance reports and completing routine servicing and basic care of designated plant
- Complete labouring tasks when plant operation is not in demand, as directed
- Work cooperatively and support team mates to achieve the Work Group's goals
- Follow reasonable directives to maintain critical business activities in the event of an unplanned disruption, including but not limited to a disaster
- Other responsibilities as reasonably expected

Organisation Responsibilities

- Model the highest standards of ethical and professional behaviour and act with integrity and confidentiality whilst representing Council internally and externally.
- Adhere to all legislative frameworks, rules, Council policies and guidelines.
- Be familiar with and undertake all work in accordance with relevant policy and legislation, including:
 - TRC's Safety Management System - SAFE PLAN, TRC's Code of Conduct, Council's Local Laws, Values and Behaviours, the *Local Government Act 2009*, Anti-discrimination and Privacy legislation, Purchasing and Procurement; and
 - Comply with all Workplace Health & Safety Legislation, and other relevant policies, procedures and legislation.
- Follow reasonable directives to maintain critical business activities in the event of an unplanned disruption, including but not limited to a disaster.

Selection Criteria

Essential

1. Strong work ethic and an ability to contribute and work within a team environment.
2. Ability to communicate effectively, both written and verbally, with team members and supervisors.
3. Experience operating and servicing trucks and plant.
4. Physical ability and experience conducting labouring, road construction and maintenance duties.
5. Awareness of safe work practices including manual handling techniques and an ability to follow Workplace Health and Safety procedures and policies.

Qualifications

- Queensland Construction White Card, or National equivalent
- Current MR or HR Drivers Licence
