St Vincent de Paul Society

The St Vincent de Paul Society is a member and volunteer based organisation that has been assisting people experiencing disadvantage in NSW for more than 130 years.

The Society was founded by a 20 year old man named Frederic Ozanam in 1833, who with a group of friends, wanted to make a difference to the poverty and disadvantage that he saw around him in post-Revolution France. Leading by example and with boundless energy, Frederic started what is now a world-wide movement in just 20 short years. The St Vincent de Paul Society NSW has around 16,000 members and volunteers and 1,400 staff. Our local member networks, referred to as Conferences, are present in over 420 communities across NSW.

Our members and volunteers provide assistance to people experiencing disadvantage including food parcels and vouchers, financial assistance, assistance with energy bills and other debt, budget counselling and the provision of other material items such as furniture, clothing and bedding and any other household items. Importantly, our members also provide vital emotional support and referral services as needed.

The St Vincent de Paul Society is a leading provider of community support services and has close to 100 Special Works across the State in the areas of homelessness, mental health, disability, financial counselling, supported accommodation, food provision, refugees and migrants and addiction counselling.

Our work is funded by all levels of government, the generous support we receive from the community and our 250 Retail Centres across NSW.
